Chicago Police Department Segeant Daniel Groth

Male, White, born 1929

In 1963 (November) Groth was assigned to 5700 S. Cottage Grove Precinct .

1) When was Groth promoted to Sergeant?

2) When was Groth assigned to Hanrahan?

3) Is there any chance that Groth was implicated in the Chicago Police Department-KKK scandal. (This may have to be checked by going to old newspaper files from the KKK scandal. If you do have to do this, I'd like copies of any articles concerning it, whether or not they mention Groth).

4) Has Groth expressed at any time any kind of political or semi-political views? What is his attitude toward Blacks?

Fairly certain I sent a copy of this to Skalnick as what I wanted him to find out.
